APRICUS FINANCE JOINS GLOBAL ELITE WITH WEALTHBRIEFING SWISS EAM AWARD

Leading wealth management industry participant, Apricus Finance, has joined the ranks of an elite global group who have been handed the honour of winning a WealthBriefing Award.

Apricus Finance was awarded '**Best Portfolio Management Team**' at the **Second Annual WealthBriefing Swiss EAM Awards 2022**.

Showcasing 'best of breed' in the Swiss region, the awards have been designed to recognise outstanding organisations, grouped by specialism and geography, which the prestigious panel of independent judges deemed to have 'demonstrated innovation and excellence during the last year'.

Each of these categories is highly contested and is subject to a rigorous process before the ultimate winner is selected by the judges. It is this process that makes WealthBriefing awards so prized amongst winners.

The **WealthBriefing Swiss Awards** are part of a global programme run by **WealthBriefing** and its sister publications **WealthBriefing Asia** and **Family Wealth Report**, encompassing all of the world's major wealth management centres.

Participants around the world recognise that winning awards is particularly important in these challenging times as it gives clients reassurance in the solidity and sustainability of the winner's business and operating model

François Struye de Swielande, Apricus Finance's CEO & Partner, said,

"We are delighted and honored to receive such a prestigious award. It is a validation of our firm's investment philosophy, striving to provide excellence in everything we do for clients, as well as being a testament to the dedication and professionalism of our investment teams. We thank WealthBriefing for all that it does to highlight the EAM sector"

ClearView Financial Media's CEO, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to all the winners. He said:

"The organisations and individuals who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations to the winners and to those who have put so much work into each winning submission".

"These awards were independently and expertly judged solely on the basis of entrants' submissions and their response to a number of specific questions, which were answered by focusing on the client experience rather than purely quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards recognise the very best operators in Swiss wealth management, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in Swiss wealth management."
